This website supports all browsers except Internet Explorer for Mac. For complete technical requirements and privacy policy, visit https://www.cmeoutfitters.com/privacy-and-confidentiality-policy

Disclosure Declaration and Information

It is the policy of CME Outfitters, LLC to ensure independence, balance, objectivity, and scientific rigor and integrity in all of their CE activities. Faculty must disclose to the participants any relationships with commercial companies whose products or devices may be mentioned in faculty presentations, or with the commercial supporter of this CE activity. CME Outfitters, LLC, has evaluated, identified, and attempted to resolve any potential conflicts of interest through a rigorous content validation procedure, use of evidence-based data/research, and a multidisciplinary peer review process. The following information is for participant information only. It is not assumed that these relationships will have a negative impact on the presentations.

The following presenters/peer reviewers/planners/faculty/staff have no financial relationships:
- Rajni Valli Mandal, M.D. (presenter)
- Lathum Nelson (planning committee)
- Susan H. Yarbrough, CHCP (planning committee)
- Scott Hershman, MD, FACEHP, CHCP (peer reviewer)

All relevant financial relationships have been mitigated.

Faculty of this CE activity may include discussions of products or devices that are not currently labeled for use by the FDA. The faculty have been informed of their responsibility to disclose to the audience if they will be discussing off-label or investigational uses (any uses not approved by the FDA) of products or devices.

Unlabeled Use Disclosure
CME Outfitters, LLC does not endorse the use of any product outside of the FDA labeled indications. Medical professionals should not utilize the procedures, products, or diagnosis techniques discussed during this activity without evaluation of their patient for contraindications or dangers of use.

Cost of program: *There is no cost to participate in this activity*
